

King's Church

Here for Jesus. Here for each other. Here for those in need.

Key Values - These give a feel for life at King's and a flavour of what's important to us.

Amazed by GRACE - God has done it all, and we didn't deserve any of it! We are saved by grace, through faith and not by our own effort or achievements.

Celebrating LIFE and DIVERSITY - Rich or poor, young or old, black or white, life-together or life-in-tatters, you're welcome and valued. Every life is valuable and precious to God.

Building COMMUNITY - We aim to be loving, welcoming, friendly, and hospitable. Our gatherings are relaxed and informal. We're a family together where kids are valued.

Made for WORSHIP - 'Our chief end is to glorify God and enjoy Him forever'. We worship Jesus through our songs, speech, actions, giving and lifestyles.

Defined by the BIBLE - We trust the Bible as God's word and allow it to shape what we do and believe. We teach from the Bible and want every member of King's to love it and read it.

Filled with the SPIRIT - We want to experience more of the presence of God in our lives. We welcome spiritual gifts and encourage believers to be baptised in and filled with the Holy Spirit.

Good news for the POOR - We're a church that helps those in need. We follow the example of Jesus in welcoming the last, the least and the lost.

Involving EVERYONE - The church is described as a body - many different parts with different functions. Everyone has a part to play and a contribution to make. We value each person's gifts.

HONOURING families and singles - Jesus said that believers are to live in celibate singleness or faithful heterosexual marriage. Both marriage and singleness are gifts that we celebrate.

BAPTISING believers in water - Jesus told His first followers to baptise all those who gave their lives to Him, so we follow this pattern by baptising believers.

Loving the CHURCH - God's plan for telling the world about His Son and discipling His followers is the local church. We're committed to building a great church community here in West Lothian.

SERVANT leadership - Jesus came 'not to be served but to serve'. King's is led by a team of 4 elders who are responsible before God for the church.

APOSTOLIC ministry - We're a part of **New Ground** and value having apostolic input from Dave Holden and Matthew Clifton Brown to help us, support and keep us on track as a church.

Key Beliefs - We agree with the statements of the **Evangelical Alliance Basis of Faith**.
